OLD SANTA YNEZ DAY

JUNE 22, 2024

BOOTH INFORMATION & REQUIREMENTS

We are making plans for a bigger and better 2024 Old Santa Ynez Day to celebrate the event's 60th anniversary! Our records indicate that you have participated in the past or have contacted us to be included. Below is an outline showing you all of the important information which you will need. Please remember that this is a **juried show** so please get your applications in early to allow the Committee time to review all applications.

Event Date: Saturday, June 22, 2024

Event Time: Set-Up: 6-8:30 AM, Faire: 9 AM - 3 PM

Location: Sagunto and Faraday Streets – Santa Ynez

Time: Booths must be set up no later than 8:30 a.m. on Saturday, June 22nd (*All vehicles must be off the event streets no later than 8:00 AM as well.*) The streets will be marked with chalk showing booth numbers and their allocated area.

Booth Size: 10' x 10' per booth. Your booth(s) may not protrude further into the street than the designated, outlined area(s). You may not set up anywhere on the sidewalk, in walkways between booths or into your neighbor's designated, outlined area(s). **This is strictly enforced.** Businesses on Sagunto and Faraday have the first right of refusal for the space in front of their business. **Those that are purchased must be set up; they may not remain empty. FOOD VENDORS: You must purchase all of the 10' x 10' spaces that your set up will take. For example, if your trailer is 18' long, you must purchase 2 spots.**

Fees: \$70.00 - Non-Profits or SY Chamber Members

\$85.00 – Individual For- Profit

(With a valid Seller's permit, if applicable)

Make checks payable to: Santa Ynez Chamber of Commerce

Mail to: Post Office Box 1738, Santa Ynez, CA 93460

You will receive an email confirmation of your booth assignment via email. In order to receive your booth confirmation in the mail, **you must enclose a self-addressed, stamped envelope**. If no envelope is provided, you will **NOT** receive said confirmation via USPS, but will receive an email confirmation.

Mobile Food Trucks: Please submit a copy of your current Health Department Certification. Be sure you have had a grease trap inspection recently as required and have a fire extinguisher in your unit. No additional fee or *Temporary Food Facility* form is required by Environmental Health.

Health inspection will take place at 7 AM so please be fully set up before then.

Food & Beverage Booths: You are required to complete a *Temporary Food Facility* application, also referred to as a *TFF*, and have proof of a food handlers' card if you are preparing food. A permitted food handler must be onsite at all times. A check for \$196 made payable to the Santa Ynez Chamber of Commerce must accompany your booth space fee, vendor application and *TFF* application for the sale of any food that is not prepackaged.

*Prepackaged foods (prepared and/or packaged in a permitted kitchen or purchased pre-packaged, such as alcohol, ice cream, candy bars, soda cans) are considered low-risk. A *TFF* must be completed and a check for \$100 made payable to the Santa Ynez Chamber of Commerce is required if you do not have a permitted kitchen. We will require a certification signed by the owner/operator of the permitted kitchen, if you are preparing foods offsite. All stations serving unpackaged food or beverages (including samples) must have a handwashing station at their booth.

For Profit and Non-Profit: A for-profit business that wishes to sell food and/or beverages at the Old Santa Ynez Day event and donate 100% of the proceeds to our non-profit, may do so. No fees are required to the County of Santa Barbara if you are donating 100% of profits. Please contact us for the required statement that must be signed and submitted. A *TFF* is not required to be completed.

Non-profit booths that are fundraising, for their own non-profit, must show proof of their non-profit status, complete a *TFF*, have someone with a food handlers permit onsite, and submit a check to the Chamber of Commerce based on what type of food or beverage they are serving/selling. *Low risk \$100, prepared food on site \$196.

Be aware that any food prepared onsite is subject to further adherence to guidelines - such as a 4 walled tented enclosure. See guidelines [here](#)

*"Items that are commercially produced, individually prepackaged, unopened and fully labeled may be sold by any group within a 25 square foot space without a health permit. Low risk

foods are foods which require no temperature control and are unlikely to support rapid growth of pathogenic microorganisms."

Please contact info@CharlottesSY.com with questions. All applications are subject to a case-by-case review from the County of Santa Barbara Environmental Health Department.

Set Up: You are required to bring ALL of your own equipment, supplies and materials needed to set up and operate your booth. It is not necessary for your booth to be constructed (*unless you are a food booth*). Tables are acceptable. If you require shade, you must provide your own. We suggest weights for pop-up tents in case we have wind.

Breakdown Time: Booths may not be dismantled until after 3 PM on Saturday, June 22. Vehicles will not be allowed on Sagunto and Faraday Streets prior to 3 PM. The OSYD committee, Santa Ynez Chamber and/or Santa Ynez Beautiful are not held liable or responsible for any equipment, supplies or materials including pop up tents left unattended before, during or after the event.

We are excited about this year's event, and are hoping to have a safe, enjoyable day for our visitors, neighbors and friends. Your cooperation with our requirements will help ensure this happens. We look forward to seeing you there!
